ALABAMA HUMANITARIAN

*"NIGEL ANDREWS"*

HONORED FOR 29 YEARS OF CHARITABLE SERVICE

Most Americans have heard of the Non-Profit Organization, “**CHRISTMAS-YEAR-ROUND**”, but many are surprised to learn that its founder is Auburn, Alabama native and Renown Gospel Singer/Songwriter, & Playwright **Nigel Andrews**. At first glance, Andrews looks as if he's had a somewhat care-free life, but looks are deceiving. He has miraculously survived four major strokes, a heart attack, an undetermined number of minor strokes, and has been battling a rare disease known as **Myasthenia Gravis** for over 30 years. **Myasthenia Gravis (MG)** is a chronic disabling autoimmune, neuromuscular disease of severe crippling weakness. None of these health issues, however, have prevented Nigel from assisting the less-fortunate every month of every year since December, 1982.

**He is the recipient of five (5) Dr. Martin Luther King, Jr. Awards, seventeen (17) Community Service Awards, seven (7) Humanitarian Awards, and numerous Philanthropic Awards & Certificates. His efforts have gained recognition from President Bush and President Obama. There are also five (5) days named in his honor in the state of Alabama.**

“CHRISTMAS-YEAR-ROUND” (CYR) is a Faith-Based, Non-Profit Ministry devoted to promoting individual and community advancement by teaching others to apply Biblical and Educational principles to their everyday lives in order to achieve their greatest potential.

**“CYR” is in need of the following: Financial support,  
Cars in good condition for clients, Housing for clients,  
Cash gifts, Gift cards, and Grants.**

Andrews takes no credit for the success of CYR, and says, “Without God's power and the warm generosity of my gracious supporters, **CYR** would never have been able to survive as long as it has. I am incredibly appreciative for all past, present, and future support.”
